A Passport to Rotary

By Misha Garafalo, president of the Rotary Club of Shorewood, Illinois, USA

As a former Rotary Youth Exchange student to Sweden more than a quarter century ago, one of my fondest possessions is my beloved passport filled with sought-after stamps from countries I visited so long ago.

Although I haven't had the opportunity to travel internationally in many years, every now and again, I would come across the passport, flip through the pages, and reminisce about the sights, smells, and sounds which stirred my global awareness, curiosity, and perspective. When I became president of my club this year, the only African-American club president in Will County, Illinois, USA, I decided to incorporate the theme with my love of that impactful experience by creating Rotary-themed passport

At my installation ceremony, each member received a "Passport To Rotary." The "visa" on the inside had to be signed by me and the member as an understanding of their commitment to care. Subsequent stamps would be provided to help them engage Rotary through specific activities and projects within the club, community, district, and beyond.

At the end of my term, I will personally award Rotarians who have filled their passports with service and, hopefully, memories

This Week's Program: President **Theresa Pinnix's** 1st Club Assembly!

Last Week's Program: **Maureen Moore**, Director of University Communications for Saint Leo University came to our meeting full of enthusiasm. Maureen who is also a Rotarian at the Wesley Chapel Rotary Club had a wealth of information concerning the University. I was surprised to hear about the changes that had been made to what was once a College prior to 1997, here are a few: The number of students has increased dramatically, they've expanded into 7 States, they are partnering with businesses offering classes to the employees to receive MBA's. They have had unprecedented success with their athletic teams and they will be offering a DBA for the first time this year. If anyone has any interest in knowing more about the University and or would like a tour of the campus, please contact Maureen.

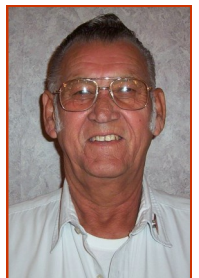

Next Week's Program: District Governor's Visit - **Roger Proffer, Sr.**

CONGRATULATIONS!

Joe Kolodziej is being inducted into the Hall of Fame for the World Wide International Towing Recovery convention being held at Chattanooga, Tennessee.

Rotary's Great When You Participate!!!
