Engage Rotary, Change Lives!

Welcome District Governor Roger Proffer, Sr.

This Week's Program:

District Governor's Visit

Roger Proffer, Sr.

Roger Proffer was born in Rankin, Michigan in October of 1941 and raised up on a small farm. In 1960 he joined the Air Force and was schooled in electronics and worked as an aircraft radio and served as a radar technician. His service time included 3 years overseas in the Far-East including a time in Viet-Nam. After his military service Roger returned to Michigan and spent several years working as an Electronics technician. During this time, Roger met Linda when she kept serving him special helpings when he ate at the diner her mother owned. Soon after they married, Roger received a very poor health diagnosis so he decided to leave his electronics job and changed his life to serve as a Baptist missionary to Mexico and was ordained into the Ministry in 1981. His health returned better than ever! When Roger and Linda returned to the United States they moved to Brandon and purchased a military outlet store and they eventually move their life and business to Crystal River, Florida in 1987. The business became the Military Outlet, Inc. which Linda and Roger still operate. Since moving to Crystal River, Roger became very active in community service by serving on the Crystal River City Council 2002 - 2006. Roger is also an Amateur Radio operator with the call name "KG4MOI". Roger was invited to the Rotary Club of Crystal River Kings Bay in April of 2002 and has served as Secretary, President, Foundation and International Chair. Roger has also faithfully served the District as chair of a number of Foundation committees. Roger and Linda are both multiple Paul Harris Fellows and they have six children and 16 grandchildren of which they are very proud.

Last Week's Program:

President **Theresa Pinnix's** 1st Club Assembly!

Theresa recapped what has transpired since the day of her induction, which was the Installation Banquet, a Steering Committee meeting & Road Cleanup/Breakfast. The Steering Committee has come up with a few ideas to spice up our meetings! Both the Installation Banquet and the Road Cleanup/Breakfast went well as mentioned in the previous bulletins. Theresa also informed us on the upcoming events which are: Membership Seminar on August 24, 2013 being held here at Banquet Masters, continental breakfast beginning at 8:00am and seminar is from 9-12. The Special Olympics will be at the Seminole Bowling Center, Sept 7th (City Wide) & 28th (District Wide). Also on Sept 7th will be a Social Dinner & a Movie - you don't have to attend both but it's a nice way for the newer Rotarians to get to know everyone including family members and visa versa! Sept 26th, Michael Chapman will be speaking to us about the Rotary Foundation Grant. **June 7th, 2014 is our Club's 60th Birthday! Save the Date, it will be Special!** Our Fluoride Sealant Program, headed by Christine Patel was showcased in the Beacon thanks to Josh Astarita, well done! Lauryn Sideri will be starting an Interact Club at her school this year, very nice! Our Assistant District Governor, Bruce Sobut attended our meeting and gave a little insight on our District Governor, Roger Proffer, it was all good! Bruce also mentioned that on Oct 5th, the Indian Rocks Beach Rotary will be holding a Rockfest.

Next Week's Program: Program Chairman **Jerry Krauss** will present

"The Philadelphia Story." The Philadelphia Story is about two high school students named **Conrad Krause** and **John Donaghy**. It had great interest to Jerry as that was his father's name, **Conrad Krauss**. After researching the high school & college years of John Donaghy and Connie Krause, Jerry thought it would be interesting to hear their stories.

Rotary's Great When You Participate!!!
