Last Week's Program:

Program Chairperson, **Tami Scheele**, along with Rotarian, **Don Higgins**, spoke to the club about the Pinellas Park Rotary Club's Website and Facebook page. The club's social media should be more active which may attract more members to the club as well as publicize the events that the club will be holding and or

participating in. It may also be helpful when forming better relations with the Rotaract and Interact clubs.

Using the laptop and projector, they surfed through the pages on the website so that the members could see the updates that Don had made. Since most of the members are not familiar with Facebook, Tami showed them just how easy it was to post a picture to the club's page. Don and Tami will be having "social" committee meetings so that any member who would like to learn Facebook could join them. Besides learning Facebook, it will also booster the club's fan base with their pictures & posts!

This Week's Program:

Program Chairman, **Kevin Krauss**, will be speaking to the club about our up and coming Bowl-A-Thon!

Next Week's Program
