**This Week's Program:** Program Chairman, **Paul Scheele**, will be introducing **John Kenny**, from the National Cremation Society.

Pre-planning insures your last wishes are fulfilled. Just as important is the assurance of knowing your loved ones will be spared from the rigors of making your arrangements after you're gone. Planning will protect them from emotional overspending and the potential for family feuding. It would be unfair to let your survivors experience the helpless feeling of not knowing what to do during this very vulnerable and stressful time. John has been a resident of Florida for the past 10 years, he is a licensed pre-arrangement counselor and looks forward to speaking and meeting Rotarians.

**Last Week's Program:** Chairperson **Christine Patel** her daughter **Mackenzie** gave presentations on the Rotary fluoride-sealant program and an expedition to the Arctic, respectively. **Christine** briefed the club on the success of the fluoride-sealant program so far; she and SPC faculty/students served one school for four days. They served 13 children each day (approximately 50 students in total) and put sealants and fluoride on the children. The SPC faculty and students also administered oral exams and gave one-on-one oral education to the elementary school students. Total cost involved was approximately \$10,000 from our club, the district and the dental supply industry. We will once again continue this program when school opens. We will follow up on last year's participants and sign up new students.

For her presentation, **Mackenzie** talked about her involvement with the Institute on Science for Global Policy (ISGP); this organization is selecting citizens to participate in a week-long expedition to the Arctic in June of 2015 to survey global climate change. Along with Norwegian citizens, the US citizens will be included in a PBS documentary and will report their findings on climate change to their respective communities when the expedition is over. The ship will be leaving from Norway and anyone interested in getting involved please contact **Christine Patel**. There is no charge for this project.

## Next Week's Program:

**Program Chairman**

Don Higgins would like to start a project with any of the Rotarian members interested in a peace project sponsored by our club. He has chatted with our club president, David Sideri who has indicated that he is fine with the idea.

Conflict Resolution and Peace is one of the six major areas of focus identified in the Rotary Future Vision Plan. If you are interested in helping to select the peace project and make it happen, please contact Don!

# BRING ONE

**Happy Events for July 10, 2014**

**Pete Molinaro** paid a happy \$5 because **Dave Sideri** gave him money for a happy event. He was also glad to be back at the meetings. **Phil England** paid a happy \$5 because he went to Titusville for July 4<sup>th</sup> and spent time with his family. He has two grandmothers that are still going strong. One is 93 and the older one is 101! **Jerry Krauss** paid a happy \$20 because his granddaughter, **Mackenzie**, received all 5's on her AP exams. He also wanted to cheer on Germany in the World Cup and ask everyone in the club to keep **Don Vauiso** (who is undergoing an operation) in their prayers. **Dave Sideri** paid a happy \$5 because he was happy to see **Pete** again; he also had a great time fishing with a customer. He caught a very large amber jack! **Jerry Wennlund's** H/E was that he was glad to see **Pete** at the meeting. **Tami Scheele's** H/E was that she had a wonderful 4<sup>th</sup> of July with her family in Gulfport.

**50/50 Winner:** **Jerry Wennlund** won the drawing for \$7 and **WON THE JACPOT**. The Jackpot was \$57.00! The card to draw from the new stack is the Ace of Clubs!
