Rotary is great when you participate!

Welcome our newest Rotarians !!!

President **Dave Sideri** inducted his first two new members into our club during his Rotary year of 2014-2015. **Dave** introduced **Starlyn and Jim Fikkert** to our club. **Jim** became a full member and **Starlyn** became an Associate member. They moved into our area 3 years ago after an extensive search as to where they wanted to settle and start a new business. **Jim** migrated from the cold northern winters of Green Bay, Wisconsin and **Starlyn** came from California. They have been married for 4 years and have 5 children and 9 grandchildren. One set of kids moved to Gainesville recently. Perhaps this can entice the entire family to come down south to our great state. They spent a year looking for a spot to settle. They researched New Mexico, North Carolina, Florida and Texas and came back to our area to plant their roots. They have opened a full service sign business with an appropriate name of GREAT BAY SIGNS. **Kevin Burkart**, their proposer, helped them set up their company. One of **Starlyn's** hobbies is Scuba Diving. We understand that **Jim** used to bowl. Everybody used to bowl in Wisc. Go get 'em

Jerry K!

All members, please introduce yourself to **Starlyn & Jim** and make them feel welcome.

Special Olympics Sat. Sept. 13 11:30

We need volunteers to feed and service about 300 Special Olympic participants for a 3 hour period.

Please contact **Joe Minarik** at **388- 0702** for times and assignments.

This Week's Program: Joe Kolodziej is the Program Chairman and he will introduce Evelyn Cary, owner of PINELLAS PARK TITLE CO. Evelyn opened her company in January, 1984 while pregnant with her first child. She had help from her best friend, her dad Kenneth Doncaster. They pride themselves in making people feel comfortable and at ease during this special time in their lives. Her office is run by Evelyn and her daughter Amanda Mitchel. Her topic will be :

“WHY YOU NEED TITLE INSURANCE.”

Next Week's Program:

Wendy Sideri is the Program Chairperson and she will Introduce Carrie Heideman from Ribbons of Hope LLC. Ribbons of Hope is "a very special boutique" devoted to serving women who are about to undergo breast surgery as well as women who have had breast surgery. They are located in the heart of Pinellas County and service the Tampa Bay area.

Last Week's Program:

In the Absence of Program Chairman Roy Ryan, Jerry Krauss introduced Mildred Farmer, MD. She is on the medical staff of Meridian Research and spoke to us about Alzheimer's Disease. Dr Farmer is board certified in Internal Medicine and is fellowship trained in Geriatrics. She has been a principal investigator since 1990 for over 500 trials across multiple therapeutic areas. She has particular expertise in cognitive impairment from Age-associated Memory Impairment to Severe Dementia. Dr Farmer has extensive experience in memory, mood disorders, women's health, migraine, smoking cessation, nutrition, geriatrics, and metabolic studies including lipid disorders, diabetes, and hypertension. There was an interesting question and answer session after her presentation. Asked if Alzheimer's was hereditary, the answer was yes. On the question of coconut oil. Yes, coconut oil is helpful for persons in the earliest stages and there is a definite correlation between the levels of B-12 and Alzheimers. It was a very informative and entertaining afternoon.
