Program Chairman **Dr. Satya Nanda** presented his niece, **Dr. Meenakshi Jain, M.D. , FCOG**. **Dr. Jain** has been a Board Certified and practicing OB/GYN for over 25 years in the St. Petersburg area. She provides the highest standard of care and is very proficient in the most recent medical and technological advances. Dr. Jain has been using different types of lasers in her gynecological practice over these many years. She is very excited to provide a service to the community speaking about robotic surgery where her patients have an opportunity to feel good and look good. Dr. Jain was accompanied by her mother, Santosh Bhatt, pictured here with her uncle, Dr. Pal Nanda. It was a fabulous presentation, not only on the robotics but on urinary & fecal incontinence. It was just amazing information delivered with humor & wit!
