**Next Week's Program:**

Program Chairperson, **Christine Patel** will present the interim provost **Dr. Eric Carver** of St. Petersburg College. His topic will be St Petersburg College Health Education Center Community Outreach Program.

**Last Week's Program:**

**Vincent House** .....

Program Chairperson **Rev Jimmy Hammond** introduced **Vincent House's** Executive Director, **William McKeever**, who gave us some background

information on their programs. **Vincent House** was started in 2003 by **Elliot and Dianne Steele** for those with psychiatric problems who needed a helping hand. The **Vincent House** is named for Vincent Van Gogh and was originally housed in a storefront in **Buccaneer Plaza**. Their mission is to help adults with mental illnesses live productive lives. Their premise is “recovery through work” as they help their clients find part-time jobs to give meaning to their lives. They believe in “Love Thy Neighbor” and that the quality of a society can be defined by its care of those in need. They are constantly impressed with their neighbors, the residents of Pinellas Park, and the concern that the residents show and the support that they provide **Vincent House**. Currently, 66 businesses partner with the **Vincent House** to provide part-time work for their clients. One of their members has successfully transitioned to a full time job with the City of Gulfport and also runs his own music business. William introduced Brittaney, a client who has been with Vincent House for almost 10 years. Brittaney told her story of being introduced to the program at Vincent House as she was ready to give up. **Vincent House** turned her life around, gave her a reason to live, has helped her get her GED and she has blossomed from an extremely shy person to an eloquent speaker who credits the staff at **Vincent House** with her transformation and salvation. **William** then introduced **Kayla**, their Community Liaison, who talked about ways the community can partner with Vincent House.
