Sanders's School Students of the Month Sept & Oct 2015

Michael Stuyvesant is a 19 year old senior at Sanders ESE Center. He continues to make academic gains and engages in intellectual conversations on topics being discussed in his classes. He is involved in 5000 Role Models, an organization that boosts the self-image, social skills and academic performance

of selected young minority boys by motivating them to interact with successful men in the community. Michael wants to explore and research his choices for furthering his education post high school. He has a passion and desire to become an Author in the future and wants to be sure he has a plan in place before making any life-long decisions. **Darlington "DJ" Williams** is an 8 year old who moved from GA to FL this summer enrolling in 2nd grade at Sanders. He is a bright, funny, and helpful student who is using his gifts and making friends. DJ cares about others feelings. He encourages others to follow rules and do school work. DJ is unique. His first language is American Sign Language. DJ learned sign language as both his father and his step-mother speak ASL at home. DJ does his homework, made Principal List the first marking period and has had perfect attendance. **Gabriel White** is a 3rd grade student at R.L. Sanders School. He is a polite young boy who is happy to receive this award today. Gabriel has shown great improvements in his behavior and school work, completing assignments, staying on task and following directions. Gabriel's handwriting is neat and legible and he has improved his behavior. Gabriel's favorite subject is music. He enjoys earning his points each day and is eager to buy items with the points he has earned. **Elizabeth Brijmohan** is a 12th grade student at Sanders who currently has 100% attendance, no behavior referrals and has received A's in all courses this first semester, qualifying her for the Principal's List. Will informed us that we are a voting member of the *Rotary's Camp Florida* and asked that we send a representative to their annual meeting. **Tami & Janet** have also contacted them. We will be setting up a Volunteer Day for our club in January. Rotary's Camp Florida, Inc. was founded to acquire, operate and maintain a year-round camp facility for children with special medical needs and opened for campers in 1992.

May 14th is *District Training Day* for President-Elects and for any interested persons.

Our *Annual District Meeting* will be held on a cruise to Cozumel and will be coupled with a service day in Cozumel working with their local Rotary Club. Please sign up by December 1st.

We will be starting a quarterly "Shining Moment" with *Pinellas Park Middle School*. A student or students that have shown a "shining moment" will be recognized and given a certificate by our club. This will be broadcast on their morning show for all of the students to see!

We are also starting a pilot with *Pinellas Park Middle School* called "*Why Do I Need To Learn This?*" We will be given a specific question from a student and we will have a week or 2 to answer.... Hopefully someone in the club will know how the question is applied at a business or home... We would like to skype into the classroom to answer the question and receive a new question during our club meeting for all to see and participate.

DON HIGGINS had knee surgery yesterday. All went well and he hopes to be home recuperating by Friday. Keep him in your prayers for a swift and complete recovery.

50/50 Winner: Won last week by Rotarian **Phil England** who graciously donated \$9 back to the club. To win the **\$140 Grand Jackpot**, the card to draw is the **Ace of Spades!**
