This Week's Program:

Program Chairperson **Colleen Carson** will be introducing her mother, **Judy Gates**. Judy will be talking about bee keeping and the community benefits of bees. Judy shared some of her information with us last year and we look forward to an update!

Last Week's Program:

Program Chairperson **Jana Vrettos** presented **Chris Scharnow**, who races cars as a hobby. He talked about his many experiences racing cars. His dad was a racer and he started going with him when he was 2 years old. He and his dad are not for profit drivers and his fathers still races at 62 years of age. The best advice his dad gave him was to get a degree and earn enough money so you can afford to race as a hobby or sport. He started with his dads car and races in "Club Races" as a hobby. Six years ago he bought his own car and started in races called "First

Run in the Ladder."The events are run locally in Florida on tracks such as Sebring. There is one Final Race each year for the Club Racers that is always held in a different city annually. Chris had entered 7 events last year and was 7th in the final race. It is something he loves to do and the entire family participates over a weekend. Every so often he keeps the better half of his entourage happy by traveling overseas with the family..

It was a really fun program with lots of interesting and informative questions.

Next Week's Program: Program Chairperson **Tami Scheele** will introduce **Carrie Root**. Carrie has been a Rotarian and member of RC of Tarpon Springs since November 2011. She has been the District 6950 Foundation Scholarship Chair for the past three years. Her classification is Engineering Consultant. Carrie resides in Tarpon Springs Florida. Her program will be about the different scholarships offered through Rotary International and the district.
