Rotary Serving Humanity

This Week's Program:

President Yvonne Fay will introduce **Juliette Kyes** who is a “Life Coach”. **Juliette** works with her parents’ family business, **Action Coach**. Their main focus is to help you learn how to make your business run smoother and be all it can be.

Next Week's Program:

October Students of the Month !

Classroom Teacher / Rotary Speaker Awards

Pinellas Park Rotarian **Janet Waddell** presented 1st Grade teacher, **Candice Moegling**, and 4th Grade teacher, **Kathy Casey**, with \$25 checks at **Marjorie K. Rawlings Elementary School**.

Principal, **Ms. Rebecca Moore** accompanied Janet to award the checks to her teachers. Both already have decided on ways to spend the money on their classrooms for their students!

All Rotarians are Celebrating World Polio Day - Oct. 24, 2016 !

Last Week's Program: Program Chairperson **Jim Fikkert** introduced **Charles Lambeth**, a Safety Specialist in the U.S. Coast Guard. He currently serves as a Flotilla Commander with the USCG Auxiliary, promoting boating safety and public education. He began by explaining the danger posed by Hurricane Matthew and advised everyone to fill up their vehicles with gasoline. He explained that people living in flooded areas which are evacuated are generally not immediately allowed back into these areas. He then explained the five major causes of boating accidents: fire; collision; capsizing or swamping the boat; falling overboard; and failure to wear a life jacket. He also provided safety advice for boaters: learn to use your marine radio; place cell phones in zipped plastic bags; check the weather before going out; take your medications with you on the boat; secure all loose equipment; and do not drink alcohol, which has 4 times the effect of drinking while on dry land, and is involved in 90% of all fatalities.

Contributed by Rotarian **Jim Plunkett**

Paul Harris Fellows

Richard Breske presented **Paul Harris Pins** to **Harry Alchin** for his third contribution to the Paul Harris Foundation, this time for his mother. **President Yvonne Fay** had the honor of “pinning” **Harry**! A Very Special “Thank you” to **Harry** for supporting Rotary!

Pinellas Park High School

will be having their first annual “**Apply Yourself: College Application Week**” during the week of **October 24th – 28th from 8 am – 1:30 pm** each day. This event will be an opportunity for their seniors to complete at least one Florida public college or university application during school hours, with assistance from adults. These adults will be counselors, teachers (current and former), administrators, college representatives, and volunteers. If any Rotarians would be interested in *further* helping these young people by being “on staff” during this application process, please contact **PPHS Guidance Counselor, Steve White** at whitest@pcsb.org. He will train and prepare you!

October 25 will be dedicated to students completing applications to **St. Petersburg College**. One or more of their admissions staff will be on hand to assist with this, but they expect that there will be a high volume of students completing SPC applications on this day, so they welcome multiple volunteers. If you can help, even for an hour or two (or three), they will gladly accept whatever help you can provide.
