## Last Week's Program:

Program Chairperson **Paul Scheele** introduced **Greg Kalil**, Public Address Announcer for the *Tampa Bay Rays* while Rotarian Past President **Tom Stewart** stood in for **Yvonne Fay** as "*President for the Day*". Greg is the on-field announcer for the Tampa Bay Rays. Greg has a booming voice with great delivery. He gave the club a short history of the baseball announcer. Starting with using a megaphone, the job evolved into radio delivery, where the announcer had to paint a picture for the radio listener. Now the games are broadcast on TV by a commentator, on radio by an announcer and the clubs employ an on-field announcer. The job of the on-field announcer is to keep the audience up on the strikes and balls, to encourage the audience to get loud to cheer on the team and to entertain the audience during the game. Keeping up with his "job description" Greg entertained our club and kept us laughing with his baseball humor. He also answered multiple questions that varied from the sex of the person who is inside the "Raymond" costume to the complex rules of the strike zone and other baseball rules. Greg also brought along 4 club tickets to raffle off to the Rotarians at the meeting. **Jerry Krauss** was the successful bidder with a donation of \$175.

Program Chairperson **Jana Vrettos** will introduce **Josh Estemera**, advisor for the **DHHS 5000 Role Model** students at **Dixie Hollins High School**. **Josh** will be showing pictures and telling us about their trip to **St Augustine, FL** over spring break.
