It's time to make history. Help us change the world.

Eradicating polio will be a huge global health victory. When Rotary began the fight to end this disease, polio infected nearly 350,000 people – mostly children – in 125 countries every year. Since then, the number of polio cases has plummeted by more than 99 percent and the wild poliovirus remains endemic to isolated pockets in only three countries. Last year there was only 37 cases. We hope to have the last one this year. Please help us to continue this fight. The "Par for Polio" Golf Tournament is hosted by Rotary Club of Spring Hill Central.

All profits go to PolioPlus. Matching is huge - \$1,000 become \$7,500

Thanks to matching from Rotary District 6950, Rotary International Foundation & the Bill and Melinda Gates Foundation
