Program Chairman **Richard Breske** will introduce **Jan Oliver**, a Licensed Clinical Social Worker (LSCW), who works with the school system to help at risk youth in middle and high schools. She received her undergraduate degree in Recreational Therapy from the University of Florida, and her Master's Degree in Clinical Social Work from the University of South Florida.

She was hired by the Pinellas County Schools in 1992, and has worked primarily in the dropout prevention program. She has worked for the past 12 years to implement a *Check and Connect Mentoring Program* with disengaged young people. The *Check and Connect* program is a data driven program focusing on attendance, behavior and performance. It is the only dropout intervention program reviewed by the U.S. Department of Education "What Works Clearinghouse" program that has proven effective in helping students stay in school.

### This Week's Program:

Program Chairperson **Yvonne Fay** will introduce **Andrea Collins**, who is with *Camelot Community Care*, a mental health organization that has been serving children and families experiencing abuse, neglect, behavioral health and substance abuse issues in Pinellas County for over 30 years.
