Last Week's Program:

Program Chairman **Jerry Krauss** presented a memorable presentation and video remembering the tragic events of 9/11, commemorating the many unsung heroes who risked their lives by using public and private boats to rescue over 500,000 people who were trapped on the island following the collapse of both towers and the massive dust clouds, extensive debris.

All forms of transportation coming into or going out of the island were shut down leaving only waterway transportation as a means of leaving the island. The rescue took place over a period of 9 hours.

There was also a video clip of President George W. Bush talking with Yankees' star Derek Jeter before throwing out the first pitch at the World Series game between the New York Yankees and Arizona Diamondbacks.

Jerry also told us about how he and his lovely wife, Joan, met on Wall Street, and how they visited following 9/11. He also told of how he and Joan came and visited the rebuilt World Trade Center and 9/11 Memorial years later.

This Week's Program:

District Governor **Eloy Nunez** will visit the club. A Board Meeting is being held at 10:30 am, followed by a luncheon with all members at the 12:15 pm luncheon.
